

MOBILE BOAT HOISTS

Superior performance.
Global leadership.

It takes integrity and performance
to build a reputation of reliability.

1000 C - Virginia, USA

Performance is the expectation. Downtime is never an option. At Marine Travelift, we understand your boat yard relies upon durable, versatile machines. Machines built to hoist your heaviest loads safely and efficiently for decades to come.

After over 50 years designing, building and supporting world-class mobile boat hoists, we continue to deliver the hardworking solutions the marine industry trusts and counts on to lift and haul the full spectrum of vessels with confidence.

There's one reason Marine Travelift has remained the number one boat hoist manufacturer in the world: Reliability.

Solutions that keep your machines working hard.

Our priority is to meet or exceed your specifications using the highest safety and performance standards. So whether you need to lift 15-ton sailboats or 1,200-ton megayachts, your boat hoist will perform with best-in-class efficiency, durability and versatility.

We work directly with our worldwide network of distributors to make sure you get the machine you need and the support you deserve. From design to delivery and beyond, our team of engineers, technicians and industry experts helps to ensure your machine performs at its best, day in and day out.

- **Genuine Marine Travelift replacement parts** are made specifically to match the original specifications of your machine
- **Local support** works directly with our team to diagnose and coordinate repairs and minimize downtime
- **Experienced field service technicians** are ready to be dispatched for on-site analysis and repairs
- **In-house technical support** will work with you and your local dealer to find solutions that keep your machine functioning at peak performance

75 BFMII - Sandefjord, Norway

200 CII - Washington, USA

BFMII Series

100 BFMII - Florida, USA

35 BFMII - Gressvik, Norway

50 BFMII - Wisconsin, USA

100 BFMII - British Columbia, Canada

Strength, speed, and precision for everyday performance.

BFMII Series mobile boat hoists deliver the speed to keep the highest traffic marinas on schedule and the precision to fit vessels into the tightest spaces.

Lift and move a wide variety of small and mid-sized vessels with confidence and efficiency – from emergency response boats to catamarans and more.

BFMII boat hoists provide the durability, versatility and performance your marina needs to get the job done day after day.

STANDARD FEATURES

PIVOT TRUNNION
Reduce structural stress and travel over uneven ground.

SLING ADJUST
Easily improve load balance and avoid sensitive elements on the hull.

MECHANICAL 90 DEGREE 2-WHEEL STEERING
Get vessels exactly where they need to be, easily and efficiently.

STAINLESS STEEL TUBING
Prevent corrosion in harsh marine environments.

BOLTING FLANGE
Reconfigure the hoist to meet various hull requirements.

REMOTE DIAGNOSTICS
Immediate factory assistance upon operator access with additional cell phone, lap top, and tablet diagnostic readouts abilities.

OPTIONS

CUSTOMIZABLE HEIGHT & WIDTH

Hoists are available in custom sizes to meet the requirements of your yard.

TOP BEAM EXTENSION

Provide additional clearance without needing to adjust a vessel's rigging.

WIRELESS REMOTE CONTROL

Increase your operator's visibility and improve safety and maneuverability.

MODEL	CAPACITY
15 BFMII	33,000 LBS. / 15,000 KG
25 BFMII	55,000 LBS. / 25,000 KG
35 BFMII	77,000 LBS. / 35,000 KG
50 BFMII	110,000 LBS. / 50,000 KG
75 BFMII	165,000 LBS. / 75,000 KG
85 BFMII	187,000 LBS. / 85,000 KG
100 BFMII	220,000 LBS. / 100,000 KG

C-Series

820 C - Rhode Island, USA

300 CII - Alaska, USA

700 C - Perak Darul Ridzuan, Malaysia

1000 C - Virginia, USA

Proven durability for decades of productivity.

Marine Travelift C-Series mobile boat hoists prove it's possible to lift and haul the heaviest vessels while improving the productivity of your boat yard.

Every boat hoist is designed with the versatility to lift the full spectrum of vessels that rely on your operations. Whether you need to lift tall megayachts, long barges or smaller fishing boats, C-Series boat hoists have the strength to withstand harsh marine conditions and years of service at peak performance levels.

STANDARD FEATURES

PIVOT TRUNNION
Reduce structural stress and travel over uneven ground.

BLOCK & SPREADER CONFIGURATION
Accommodate diverse hull configuration without overloading slings.

SLING ADJUST
Easily improve load balance and avoid sensitive elements on the hull.

HOIST EQUALIZATION
Prevents hull damage and balances loads with continuous reeving system.

STEEL STRUCTURE
Increased structural strength for years of heavy-duty lifting.

REMOTE DIAGNOSTICS
Immediate factory assistance upon operator access with additional cell phone, lap top, and tablet diagnostic readouts abilities.

OPTIONS

CUSTOMIZABLE HEIGHT & WIDTH

Hoists are available in custom sizes to meet the requirements of your yard.

ALL WHEEL ELECTRONIC STEERING

Maximize your machine's versatility, maneuverability and precision in confined yard spaces.

CUSTOMIZED SPREADER BARS

Solve the most challenging lifting requirements with customized spreader bars.
